EMPLOYMENT HISTORY

Architectural Assistant at MortonScarr Architects, Brighton

October 2021 — January 2024

- Technical Proficiency and Design:** Developed detailed architectural designs by leveraging industry-standard software tools.
- Problem-Solving:** Engaged in creative problem-solving to address design challenges, ensuring functionality, sustainability, and aesthetic objectives were met.
- Attention to Detail:** Demonstrated attention to detail in creating precise architectural drawings and specifications, ensuring high-quality outcomes.
- Multitasking:** Successfully contributed to multiple projects simultaneously while adhering to strict deadlines.
- Collaboration & Communication:** Collaborated closely with various stakeholders to ensure the delivery of high-quality projects.
- Commitment to Continuous Learning:** Engaged in ongoing learning to stay updated with the latest architectural trends and technologies.

PROJECTS

Company Website

- HTML and CSS:** Developed a company website using HTML and CSS, ensuring a strong foundation in web standards and accessibility.
- Semantic HTML:** Employed semantic HTML to enhance the site's SEO and accessibility, making content more understandable to both users and search engines.
- Responsive design:** Implemented responsive design principles to ensure optimal viewing experiences across a variety of devices, including desktops, tablets, and smartphones.
- Figma prototyping:** Created a comprehensive Figma prototype prior to development, facilitating a clear vision and efficient workflow for the website's design and functionality.
- Eye for detail:** Demonstrated a keen eye for detail and a commitment to modern web practices through the careful integration of aesthetic and functional elements.

CERTIFICATION

AWS Certified Cloud Practitioner

April 2023

- Understanding of the AWS Cloud platform, fundamental cloud concepts, and basic AWS services.
